#### Recommendations: Lin Dailey- 15 year Associate Scout Chicago White

**Sox- hitting instructor** - "Teaghen Amwoza is an ideal all-around utility player and I would recommend her to your program. She is a tremendously talented young softball athlete and a fantastic person with a great work ethic. She has an incredible understanding of softball both offensively and defensively with athletic ability that is second to none. Teaghen can play small ball and deliver some pop offensively and makes things happen for her team with her aggressiveness and base running expertise. She can play anywhere defensively with a strong arm and has great fundamentals. She is smart, coachable, and very much a team player and will be a huge asset to your team."
