Player Profile Page: <http://captainu.com/athletes/1365970/profile>

Recommendations:

HALL OF Fame coach Margie Wright - "Emily is a very strong young woman and is willing to do whatever it takes to do her best. She is a great hitter and very clutch. She does a great job behind the plate and is continuing to improve her throws and the quickness of releasing them. They are very accurate and the improvement she has made is incredible. She has so much potential and works extremely hard to be best she can be."

Academics:

High School: Jacobs High School
GPA: 3.8
ACT: ACT Fall 2017
