#### Recommendations:

Sidney's pitching is very deceiving because of the movement of the ball. Sidney is a player you can always count on and is ready to go whenever you ask her. She is a hard worked and loves the game.

**-Dee McDermott South Elgin High School Assistant Varsity Coach**

Sidney is a competitor who uses good spin and change of speed to keep batters off balance. She knows how to commit to the plan for each batter one pitch at a time.

**-Cathy Smith Conant Highschool Varsity Coach**
