

WHEATLAND SPIKES FAST PITCH SOFTBALL CLUB

August 8, 2017

Dear Business Owner/Manager,

The Wheatland Athletic Association (WAA) is a non-profit, volunteer organization, serving over 12,000 registrants annually, who compete in baseball, softball, basketball, soccer and flag football. We are contacting local business in hopes of establishing a partnership for the 2018 Softball season.

The **Wheatland Spikes Fast Pitch Softball Club**, the travel softball program of WAA, was established in 2004 to bring together our community's top youth softball players to represent the area in competition against the best players from other cities and states. Our kids compete in the spring and summer, and train indoors throughout the off-season.

As you can imagine, the high costs of uniforms, equipment, and year-round training facilities make participating in our program difficult for some families. Your sponsorship keeps the cost of our program down and allows children to participate who may not otherwise be able to afford the program.

Your support for the 2018 season would mean the world to us. Should you decide to become a sponsor, please take a look at the options we have outlined on the following page. Please complete the sponsorship agreement, and return it to us by February 10, 2018. You may either return it to the parent/player who provided you with this information, or you may mail it to the address listed on the agreement. Wheatland Athletic Association is a 501(c)3 organization and donations should be tax deductible.

If you have any questions regarding sponsorship, or our program in general, please do not hesitate to contact our office at 630-978-2855.

Thank you in advance for helping to bring America's game to our young athletes!

Sincerely,
Bill Chval

WHO ARE WE?

Wheatland Spikes Girls Fast Pitch Softball:

The Wheatland Spikes is a competitive Girls Fast Pitch Softball program for players 7—18 years old. The teams compete in the fall, spring and summer and train indoors at our Spikes Training Center October through March. Our teams participate in ASA, PGF, NSA, USSSA, and College Showcase Tournaments throughout the US. Margie Wright, the WAA Spikes Director of Player Development, works with coaches and players throughout the year, including specialized clinics and training. College recruitment is a focus for high school age participants.

The Spikes vision is to become the premier softball program in the Midwest. We emphasize having fun on the field and stress class and sportsmanship in victory and defeat. By seeking out quality trainers, coaches, players & opponents through the game of softball, we will instill in our players a positive attitude, a sense of self-responsibility, discipline, respect and a strong work ethic. These principles are central as we strive to develop skills, teach solid softball fundamentals, and prepare our athletes to be the best they can be; both mentally and physically.
