Recommendations:

Head Coach Russ Rau, 16U Spikes – "Carly is an outstanding softball player as well as an overall athlete and team player. I have coached her for the past 9 softball seasons and have watched her grow into a special athlete. Carly is highly competitive and with her many years on this team has developed into a team leader. She is a very solid catcher and has developed into a positive outfielder and first baseman as secondary positions on our team. Her arm is strong and accurate and her knowledge of the game is second to none. Carly has a very positive attitude and a drive that would be an asset to any college program and I hope you will consider her. She is a complete package."
