Middle School Student Council

#### Recommendations

#### **Bobby Drager, Coach, Wheatland Spikes**

"Reili is an extraordinary athlete! When she is out on the field her drive and determination are second to none. She covers a huge amount of space in the outfield with her speed and athletic ability. At the plate, she has the ability to pick out her opponents weaknesses and place the ball where they are not. Reili is a true 5 tool player that could build your program all around!"
