Recommendations:

"Here's how I grade Abbey. Coachability A+, Body Awareness A, Work Ethic A, I would rank her 4th out of 50 college bound pitchers who I'd count on to win. **Jonathan Hon, Tincher Pitching**

"Abbey is a delightful young lady with a tremendous work ethic and an insatiable desire to develop. I have seen her improve from being a contact hitter to a hitter with some power and a strong understanding of her roles and responsibilities in various situations. Abbey has great balance, terrific strike zone recognition, fast hands and a powerful lower half." **Alex Hales**
