### **Margie Wright, Former Fresno State Head Coach, NFCA Hall of Fame**

"Gabby Drager is a Tremendous Athlete as well as an outstanding pitcher and third basemen. She has an awesome arm at third and has been one of the best pitchers in our program as well as the entire area. She is a hard worker and a great hitter and would be a great addition to any college program. She is a fine young woman both on and off the field and very talented. Outstanding."
