I would like to say a few words about Maddie!
I have had the pleasure of working with her over the past year and she is an outstanding young woman. she is strong and extremely coachable and got better with every lesson. She can throw most spinning pitches and potentially could increase her velocity upwards of 5mph. She makes adjustments and more importantly wants to win.
I recommend her to any program she wishes to pursue and look forward to working with her this year to fulfill her potential.
Thank you for your time. If you have any questions, please feel free to contact me.
Sincerely,

Margie Wright
