Recommendations:

Hall of Fame coach Margie Wright – “I have had the privilege to work with Teaghen Amwoza the last few years and she is a special athlete. Teaghen is a fantastic infielder and her speed makes things happen offensively. She knows the game and is a very hard worker. She can play anywhere defensively and has great fundamentals. She is very smart and a team player and will be a huge asset to any college program.”

Lin Dailey – 15 year Associate Scout Chicago White Sox – “Teaghen is a tremendously talented softball athlete. Extremely focused and has a great understanding of game situations. She is a fun athlete to work with and has an awesome attitude. Teaghen will take her game to the next level and will still continue to excel to be the best on the field as a player and teammate.”
