Recommendations

Bobby Drager, Coach, Wheatland Spikes

"Jaylee is an outstanding pitcher for our spikes team. Her abilities coupled with her personality gives her that edge to compete with the best. Pitching wise, Jaylee has the ability to locate all 5 pitches. Her change up is unlike any pitch i've seen in the 11 years i've been around this game. Her change up is a headache for opposing hitters. Jaylee is a high ceiling player that is continuing to get better everyday. She will be a great addition to any program that is looking for a skilled pitcher and an attitude that can positively change a dugout."
