Recommendations:

"Carly is an outstanding softball player as well as an overall athlete and a team person. I have coached her for the past 9 softball seasons and I have watched her grow into a very special athlete. Carly is highly competitive and with her many years on this team, has developed into a team leader. She is a very solid catcher and has developed into a positive outfielder and first baseman as secondary positions on our team. Her arm is strong and accurate and her knowledge of the game is second to none. Carly has a very positive attitude and a drive that would be a great asset to any college program and I hope you will consider her. She is a complete package." – Russ Rau, Wheatland Spikes 16U Showcase
