Put these numbers in your phone today!

2. **Do not call the WAA office.** Call Official Finders! They are per agreement supposed to have a person at these numbers that can locate your umpire.
3. If a parent or another person must umpire your game because the assigned umpire never showed up, WAA will reimburse that person. Coaches must submit a check request for that person, providing name/address/phone number, date and time of game.
4. **Please inform the WAA office ASAP of all umpire NO Shows, or other umpire related problems.**
5. We'd also like to hear about umpires that do a great job so we can pass that along to Officials Finders.
